# Step into the perfection of sewing.

**Impressive – a huge selection of more than 450 utility and decorative stitches.** Including a wide variety of 9 mm decorative stitches, Stacking Stitches and Maxi Stitches up to 48 mm wide – for perfect results and enchanting embellishments. Choose one of the 4 built-in sewing fonts to personalize your project. Achieve professional results with a selection of fully automatic buttonholes.

**Everything you do is seen on the PFAFF® creative™ Color Touch Screen.** The clear, high resolution display shows stitches in actual size. View recommended settings and easily adjust them for individual projects. Save adjustments for later use.

**It's magic – automatic presser foot lift.** At the touch of a button, the presser foot is automatically raised to its highest position or lowered, top and bobbin threads are cut; you can even start or stop the machine without the foot control.

**THE ORIGINAL FROM PFAFF®**  
**Perfect fabric feed – more precise than ever before!**

The time-tested PFAFF® IDT™ System and a highly developed sensor technology guarantee the optimal feed you expect of all kinds of fabrics. Everything stays in place. Lightweight and silky fabrics don't pucker; stripes and plaids match perfectly; curved seams are easy, with very little pinning required. The IDT™ System is exceptional at grabbing and feeding quite small fabric pieces for maximum precision and professional results. Your PFAFF® creative performance™ sewing and embroidery machine moves from a single layer to multiple layers effortlessly and even sews over bulky seams with no hesitation.

## Twice the Possibilities

Discover the fascinating world of embroideries.

**Optional!** With the embroidery unit you will experience a new dimension of possibility. Extra-large embroidery designs, in many colors and impressive beauty, enrich your creations and make them truly special.

When you purchase the PFAFF® creative performance™ embroidery unit you can start embroidering immediately with more than 200 exclusive designs included with the machine. Find thousands more at your authorized PFAFF® dealer and at [www.myembroideries.com](http://www.myembroideries.com). The variety of themes and imaginative techniques is constantly being expanded and is just waiting for you.

**Just a touch on the PFAFF® creative™ Color Touch Screen** puts you in a world of unlimited possibilities. All the embroidery designs are shown in realistic view in your chosen thread colors. Customize them directly on the screen; the intuitive-graphic interface makes it easy.

**As if by magic, the machine embroiders** the individual design sequences, cuts the jump stitches automatically, and only stops when the thread color needs to be changed.

**Large embroideries – Precise positioning.** Place every embroidery design exactly where you want it. The joining of large embroideries has never been easier or the results more perfect. Just mark the desired positions directly on the screen and the needle begins at exactly the right spot to complete the design.

Embroider monograms, words or entire sentences in breathtaking quality. Create your own label for an individual touch.

# Discover a new way of comfortable, perfect quilting.

**Phenomenal!** An unbelievably large sewing-space, a unique stitch repertoire, and impressive features designed especially to meet quilter's needs are waiting for you.

The well-designed shape of the PFAFF® creative performance™ sewing and embroidery machine offers **exceptional space** for large amounts of fabric. A sewing space of 250 mm to the right of the needle is an unbelievable advantage when quilting and sewing.

Admired by quilters all around the world: the large selection of **antique quilt stitches** with that hand-stitched character and the delightful Stippling Stitches. They open up even more areas of creativity for you.

Optimized **bright LED lights** illuminate the entire sewing area with no shadows.

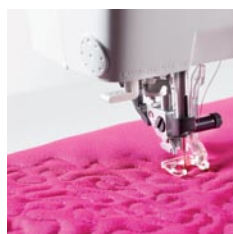

Select one of the **three free-motion modes** and your PFAFF® creative performance™ sewing and embroidery machine sets the correct presser foot height and lowers the feed dogs automatically for you. There is perfect space for several layers of thick fabric. Move the fabric as desired to create a unique stitched surface.

**Clever quilt piecing with the patchwork program** – Sew your seam and the machine will remember the seam length to repeat over and over.

Set **needle to stop up or down** in the fabric for pivoting, appliqué and more.

**Use the Electronic knee-lift while sewing.** With an easy movement it raises the presser foot and allows you to keep your hands on the project.

**TIP!** Select one of the three free-motion modes and the machine will automatically be set.

A dream for quilters!  
A sewing space of 250 mm to the right of the needle – an unbelievable advantage when quilting.

## Twice the Possibilities

Turn your quilt into something special!

**Optional!** With the embroidery unit, you can turn every quilt into a masterpiece – with beautiful embroideries, unusual textures and impressive creations.

Quilting in the hoop is an amazing experience. As if by magic, the needle draws intriguing ornaments, sophisticated textures, and elegant designs on the fabric; embroidering large areas with breathtaking perfection and speed. The results are impressive and present new, fascinating possibilities.

The quilting designs included with your machine purchase were hand-picked by our designers for their unique beauty. They will inspire new looks and give your quilt that extra something. Suddenly even large areas can be embellished with elegant details. Results that look like free-hand stitching have been embroidered in the hoop. This is the unsurpassed level of perfection you will achieve with your PFAFF® creative performance™ sewing and embroidery machine.
